

*(vii) The particulars of any arrangement that exists for consultation with a representation by the members of the public in relation to the formulation of its policy or administration thereof.*

MSRDC s activities are in nature of projects. MSRDC involves and obtains the approval of appropriate agencies while implementing the projects.

MSRDC participates in public hearings wherever required by guidelines of Ministry and Environment and Forests before implementing projects which need environmental clearance of the State authorities or Central authorities as the case may be.

While implementing projects where the local municipality is concerned or involved, their approval and resolution is obtained.
